

HABITAT FOR HUMANITY VIETNAM

COUNTRY PROFILE
DOMESTIC CORPORATE

Habitat for Humanity International

began its work in Vietnam in 2001.

Since its inception, **Habitat Vietnam** has been delivering holistic approach to housing by supporting and empowering communities to take ownership in improving their living conditions; thus has enabled nearly **19,000 families** and **152,000 Individuals** to build strength, stability, and self-reliance.

PRORGAMME PRIORITIES

Inclusive housing

thematic focus

- Housing solutions for marginalized group, ethnic minority, persons with disabilities, and vulnerable people living in disaster prone areas.
- Mainstream disability inclusion in housing, WASH, DRR-CCA programs.
- Promote increased access to safe and affordable WASH through provision of hardware and software, and safe sanitation spaces for girls and boys.

Safe, smart & resilient communities

thematic focus

- Facilitate the full implementation of PASSA method engaging local authorities, disaster risk management boards and communities.
- Build capacity of Disaster Risk Management boards in facilitating communities to build disaster risk mitigation plans based on CBDRM approach.
- Apply localized “Build Back Safer” solutions and disseminate among local masons, communities.

Housing affordability

thematic focus

- Develop and implement housing micro-finance program in partnership with MFIs and other financial actors combined with construction technical support.
- Pilot institutional capacity.
- building & use experience and replicate among smaller local financing actors (i.e. community housing fund, social fund) by leveraging the revolving fund.
- Expand to the urban sector.

Government-people engagement

- Play a part in the non-ACM advocacy network; support the government program on ZERO ACM through advocacy.
- Housing policy analysis.
- Advocate for national policy makers to standardize technical guidance into government housing support programs.
- Development of position paper/s and promotion in relevant avenues.

CORPORATE VOLUNTEERS ENGAGEMENT

- Corporate sponsors to build 1 new house, with water and sanitation facilities.
- **Build Day:** For each new house, up to 20 staff will be invited to participate in an 1-day build event where they can contribute directly to the construction for the beneficiary family.

FUN FACT

Since 2001, Habitat Vietnam has welcomed more than **11,000 volunteers** from across the world, who help build concrete houses for thousands of Vietnamese families in need.

That resulted in more than **300,000 working hours** - 15 times the total amount of time needed to build the Eiffel Tower.

Let's join us to build Strength, Stability and Self-reliance through Shelter - now!

**300,000 hours
of Global Volunteers**

#worldhabitatday2020

DON'T WORRY, WE WILL TRAIN YOU :)

- Habitat Vietnam strictly follows **Safety and Security guidance**. Volunteers will receive clear orientation before they begin to work. Habitat Vietnam staff & Construction Supervisor will be present throughout the build to assist the volunteers and ensure the quality of their work.
- There will be tasks for everyone! Even those who never build before.
